TUFT®

DIAMOND

2" PROFESSIONAL HAIR IRON

NANO CERAMIC TECHNOLOGY
Nano size ceramic particles release negative ion to reduce moisture loss in the hair and neutralise hair static. The extra smooth plates allow the hair to glide through the plates effortlessly creating an ultra-shine and smooth effect.

LONGER PLATES DESIGN
Allow wider sections of hair to be styled.

MULTI DIRECTIONAL FLOATING PLATE
Ensure perfect plate-to-hair contact and one-pass straightening.

INSTANT HEAT RECOVERY
Rapid heat recovery in less than 2 seconds to ensure consistent heat for continuous use.

FAST HEAT UP TIME
Up to 230°C (446°F) in 20 seconds.

ITEM INFO	
Product Name	Diamond Plus
Model Code	6609

EXTERNAL APPEARANCE	
Colour	Black/ Maroon/ Pacific Ocean
Finishing	Matte

SPECIFICATION/ FEATURES	
Region	USA/ASIA/EURO
Voltage/Hz	100-240V,50/60Hz
Wattage	70W
Plate	Nano Ceramic
Floating Plate	Applicable
Heating Element	MCH
Temperature	Max 230°C (446°F)
Temperature Setting	Digital
Benefits	Professional Use, Fast Heat-Up & Heat Recovery, Constant Heat Distribution, Extra Shine & Smooth Effect, Suitable for Keratin Treatment
Cord Length	3 m
Weight	314gr / 0.70 lbs
